This is the fourth office action for application number 10/635,889, Multi-Use Linkage Device, filed on August 6, 2003.

### ***Drawings***

The drawings were received on May 19, 2006. These drawings are acceptable.

### ***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance: the primary reasons for the allowance of the claims in this application are the limitations of a linkage device having a strip, a closure hub, a locking mechanism within the hub, a connecting surface protruding from the strip to secure to the hub, an application distinct tag connected to the device, and wherein changes in the tag identify whether the linkage device has been tampered with, now included in independent claim 98 and in combination with the other elements recited in the claim, which is not found by the prior art of record; a linkage device having a strip, a closure hub, a locking mechanism within the hub, a connecting surface protruding from the strip to secure to the hub, an application distinct tag connected to the device, wherein the tag is detectable by photon activation comprising at least one of laser photon activation, visible light photon activation, X-ray photon activation, and infrared photon activation, now included in independent claim 101 and in combination with the other elements recited, which is not found in the prior art of record; and a linkage device having a strip, a closure hub, a locking mechanism within the hub, a connecting surface protruding from the strip to

secure to the hub, an application distinct tag connected to the device, wherein the tag further includes a plurality of fiber optic strands within the device wherein the strands possess unique frequency characteristics which will change when the device is tampered with, now included in independent claim 102 and in combination with the other elements recited, which is not found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
